SERVANTE HAS GOOD FORTUNE

BEN CARNEY FINDS FIFTY DOLLARS AND IT IS RETURNED TO OWNER.

A case of extraordinary honesty developed itself in Tonopah yesterday when a young man named Ben Carney, a fireman on the Goldfield and Tonopah railway, called upon Chief of Police Malley and handed him a \$50 note, saying that he had read an account in the Bonanza of the assault upon Paul Servante, in which the thug is supposed to have stolen the bill from him. The thief evidently in making his getaway dropped the gold certificate and Mr. Carney, upon finding it in front of the Depot hotel, hurried to police headquarters and turned the money over to the chief, who later in the day called up the owner and restored him his belongings. The young man would have refused an offer of any kind of a gift even if it had been tendered.

BANK OF AUSTIN CLOSES ITS DOORS

INABILITY TO REALIZE ON ITS LOANS THE CAUSE—WILL REOPEN SHORTLY.

Announcement was made that the Bank of Austin had closed its doors the beginning of this week. Inquiry developed the fact that a check for a large amount had been presented to the bank and the cashier was unable to meet the obligation. The bank is regarded as one of the strongest in that section and it is authoritatively stated that it will not remain closed after next Monday. Loans have been made to cattle and sheep men and while the security is first class it will be thirty days before they can realize. President Miller of the bank is himself a very wealthy man and has \$115,000 on deposit in the institution. As it is the only bank in the town it fell rather hard on the small depositors and the man who was employing labor. The statement that the bank is closed but temporarily comes as glad news to the people about Austin.

MOST POPULAR PLACE IN CITY

HAMMAN BATHS NOW IN PERFECT RUNNING ORDER AT NEVADA BARBER SHOP.

The most popular resort in this city today seems to be the new Nevada barbershop. Every department is now in perfect running order and the best and most careful attention is given to every patron of the place. The Hamman baths, the only one in this city, certainly holds out inducements to every one. Think of a nice downy couch together with all that goes with a Hamman bath for the low price of \$2. The \$1 steam and shower is becoming the most popular thing in town, while a nice plain tub for 50 cents, with clean linen furnished, is certainly a treat.

The barbers are the most painstaking and proficient to be found in town. Mr. Wilson, the proprietor, has secured the services of Mrs. Pearl Graham and has opened a ladies' manure parlor in connection with his tonsorial establishment. She will do massaging, shampooing and hair dressing in the latest and most approved mode. A private entrance on Brougher avenue has been opened for the purpose of admitting ladies.

HAS LIGHT FORM OF INSANITY

George B. Peroglio, who is serving a sixty-day sentence in the county jail, was examined by Drs. Mapes and Cunningham for insanity. The evidence plainly showed that Peroglio was suffering from a light form of insanity, and he was ordered to be again committed to the jail, where he will be held until August 20, when his sentence expires. At that time he will be examined, but in the meantime he will be under the surveillance of the jailors.

DELIGHTFUL DANCE.

A delightful dance was given at the Miners' Exchange hall last evening by a number of the young people about town in honor of Emery Marty's twenty-first birthday. The affair was strictly invitational and a most enjoyable evening was spent.

RAILWAY OFFICIALS HAVE RESIGNED

RUMOR SAYS COLONEL ALONZO TRIPP MAY OCCUPY POSITION WITH T. & G.

The rumor as stated in yesterday morning's Bonanza regarding changes in the personnel of the Tonopah and Goldfield railway is now known to be a fact.

Information from Philadelphia announces that C. K. Lord, president, and Clyde A. Heller, treasurer, have posted their resignations which were accepted in the early part of the month, while that of J. W. Reinhart, comptroller and assistant to the president, is in effect today. Thomas M. King, the well known Philadelphia banker, who has been vice president and director of the company, succeeds to the presidency. Changes all along the line will very likely occur.

Col. Alonzo Tripp, who was formerly general manager of the road, left Philadelphia yesterday and is due here Tuesday. He has the warmest confidence of Mr. King and rumor is rife that he will again occupy a high position with the company. Colonel Tripp is considered one of the best railroad men that has ever been in the west, knowing the needs and understanding the conditions that surround a western road.

AFRO-AMERICANS HOLD MEETING

WILL TAKE AN ACTIVE PART IN THE CAMPAIGN THIS FALL.

Things are more certainly beginning to bubble in the political pot, and from all parts of the county the sounds of the approaching battle can already be heard. The latest political movement of significance occurred in this city on Tuesday evening, the same evening that the famous McFadden-Pittman and Thatcher-McIntosh affair occurred at Miners' Union hall. While the Democratic hosts were clashing and the sound of armor was resounding throughout the city and the cries and moans of the dead and dying were being carried on the night air to remote quarters, a meeting was being held in the Del Paso hall for an organization of an independent political club.

Great things have been born in lowly places and some wonderful papers have been signed in some of the halls throughout this country, but it is expected that the organization which took place in the Del Paso hall will rival anything which any of the old historical buildings have known.

All of the Afro-Americans in Tonopah were there, and the hall was crowded to suffocation. Everybody made a speech, everybody had something to eat, and there was a little liquid in circulation.

The club, which was organized, had its birth amid political fireworks such as is seldom seen. A. J. Woodward was elected president and Bud Mills was elected secretary. Bob Brown, who is one of the popular members of the colored fraternity in this city, and who conducts one of the biggest saloons in the lower end of town, made a rousing speech to the parties congregated in the hall and proposed that the club be organized upon independent lines for the purpose of securing all rights possible for colored voters at the coming election, irrespective of party or of class. Mr. Brown pointed out that the colored vote will be of some importance in determining the yes or no of things when the ballots are cast in November, as there are approximately 150 colored men who will be eligible to vote at the coming election in this city alone.

The constitution of the club was adopted on the lines suggested by Mr. Brown and an executive committee was chosen to carry on the business of the club and to secure all rights possible for the colored voters. That committee consists of S. T. Ellsworth, F. E. Gray, Bob Brown, S. F. Reed and J. L. Banks. In the hands of these five men has been placed the political machinery "beyond the color line," and all aspiring politicians who desire to do business with the colored vote will probably be hot on the track of this executive committee from now on until November.

MONEY UNDER FALSE PRETENSES

A warrant was issued yesterday for the arrest of George H. Smith, charging him with obtaining money under false pretenses. Smith ordered a quantity of lumber from the Carlson Lumber company and used it in a building for one Kosick. When the work was completed he secured the money to pay for the lumber and without paying the bill skipped the town for Los Angeles.

CONCERT TO BE GIVEN TONIGHT

Weather permitting, the Tonopah brass band will give a free concert this evening commencing at 8 o'clock on the porch of the Miners' Exchange hall. The band will give these concerts every Saturday evening during the summer, thus furnishing a diversion to our people.
